### **3 Travel Apps Every Family Needs to Survive this Summer in Los Angeles**

As Los Angeles based kids wrap up another school year many families now have the added pressure of how to successfully survive the summer in Los Angeles with activities, vacation and trips that will tick all the boxes.

With app use averaging 2 hours per person every day, and families turning to the convenience of smart phones for the answers, according to Tracy Repchuk, Bestselling Author and a mom of 3 kids, she knows how difficult it can be to plan your day trips, prepare for a vacation, and still keep your sanity.

Repchuk highlights the 3 Must Have Travel Apps to make your vacation in Los Angeles this summer stress free.
