

California's Top Online & Social Media Speaker Available for In-Studio Interview this summer...

3 Travel Apps EVERY Palm Springs Family NEEDS to Survive this Summer

As a mom of 3 kids getting deep into summer can create a problem for the family in finding activities, staycations, vacations and trips that tick all the boxes.

According to Tracy Repchuk - Best Selling author of *101 Appsolutely Essential Apps*, "Google is a great tool, but a search can bring up 1000 things that aren't related and add more frustration and time to your planning and the last thing you need to hear from your kids is "I'm Bored" so she's here to show you how to fall in love where with you live and get SuperMan powers with these 3 apps will help you navigate your time with family-friendly activities."

DEMO 1 - How to Find Apps in your area or an area you are going

(Master Prop - if you can display the actual apps we could go through it the whole time or I could display it on an ipad or iphone to a screen if you can capture that)

Palm Springs - Locals and visitors from around the world are lured to Palm Springs for its storied Hollywood legacy, Native American heritage and stellar collection of mid-century modern architecture. Instant access to where to stay, go, visit, eat, and everything else in between.

Desert Guide - Desert Guide is the most complete travel guide to the Palm Springs Desert Resorts area covering monthly events, attractions, shopping and offering the best rates on hotels and golf tee times.

Gas Buddy - Whether you are in Palm Springs or traveling further to get in your destination, you're going to need this app which tells you where to always get the cheapest gas right where you are.

Tracy's **APP** formula for guaranteed summer fun

Apps exist for everything, so always grab an App before you go - and when you see one you like - get it - many start off FREE and then charge when they become popular

Plan unusual activities each time and do something different
ie. zip line, hike, go kart, bowling, horse back riding

Pack your bags with the **uPackingList Free App** - and you'll be ready for any location, duration or season. **PROP: Knapsack**
