3 Travel Apps EVERY Chicago Family NEEDS to Survive this Summer

With Chicago kids deep into summer this can create a problem for the family in finding activities, plans, vacations and trips that tick all the boxes.

According to Tracy Repchuk - Best Selling author of *101 Appsolutely Essential Apps*, "Summer can be a minefield for every family - and these 3 apps will help you navigate your time safely with fun and family-friendly activities."

Chicago Pocket Guide - It is like having a professional tour guide in your pocket - guides you with a voice around the most exciting parts of town, like a real tour guide. Complete with maps, GPS, and you can take photos and add comments and it automatically creates a 3D video that you can easily share with your friends.

PROP: MAP

My Chicago Way - A collection of 50+ Chicago Apps that will guide you to local transit, food, amusements, movies, kid fun spots, walking tours, rest rooms, and even emergency locations because you just never know.

PROP: BIG GULP CUP

myTransit - CTA - Chicago is the fourth most walkable city in North America. Take advantage of the city's excellent public transportation and walkways by hopping onto the CTA. myTransit will plot your trip from point A to B in a snap, aiding in finding the nearest bus stop or subway station, including arrival times
