

### **3 Travel Apps Every Las Vegas Family Needs to Survive this Summer**

With Las Vegas kids deep into summer this can create a problem for the family in finding activities, plans, vacations and trips that tick all the boxes?

According to Tracy Repchuk - Best Selling author of *101 Appsolutely Essential Apps*, "Summer can be a mine field for every family" - and these 3 apps will help you navigate your time wisely with fun and family friendly activities.

**Travel Vegas - Las Vegas Deals** - The very best deals with a complete travel guide that helps you navigate and get the coupons you need for food, shows, hotels, and much more. The app's coupons are updated throughout the day to ensure that you never pay full price.

**Prop: Coupon Book**

**MyCityWay Las Vegas** - Over 25+ Las Vegas APPS IN ONE PACKAGE that will guide you to local transit, food, amusements, movies, kid fun spots, walking tours, rest rooms, and even emergency locations because you just never know.

**Prop: Drink in a cup**

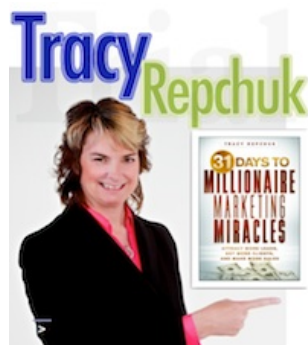

**Las Vegas Family Events** - Finally, an easy way to find something to do. We list the Family Friendly Events and Happenings in Las Vegas for the upcoming month. Includes links to the websites for more information. **Prop: Map**

Then one bonus app I'll tell you about is **Packing List** - You can group items by category, location and luggage so that no matter the duration, location, or season - you can have a list ready to take the headache out of figuring it all out.
